

2017-2018 First General Meeting and Executive Board Elections

8 / 31 / 2017

11:30 am – 1:00 pm

1233 Newmark Civil Engineering Building

The Geotechnical Engineering Student Organization (GESO) and the Deep Foundations Institute (DFI) will be holding our first general meeting of the 2017-2018 academic year. We will be welcoming the new geotechnical graduate and undergraduate students and discussing upcoming events and changes to our organization's structure. GESO and DFI executive board elections for the academic year will be held along with signups for this year's GeoChallenge teams (which will compete for a spot at nationals to be held at Geo-Congress 2018 in Orlando Florida).

The meeting will feature the following presentation:

History of Geotechnical Engineering at Illinois

Prof. Scott Olson, UIUC (BS '93 / MS '95 / PhD '01 UIUC)

Food will be provided!
